Dear Parent/Carer

Section 8 Monitoring Visit – 7th October 2016

We are writing to inform you that the school will be receiving a monitoring visit by Her Majesty's Inspectorate on Friday 7th October 2016 from 8:00am till 5:00pm.

The visit is standard procedure for a school deemed 'Requiring Improvement', and the purpose of the visit is to judge and challenge the leadership and Governance, to ensure that progress is being made at the rate expected in order to secure 'good' from the next inspection.

Following the visit, a report will be created and a letter generated for parents outlining what the inspector saw and his judgement as to whether progress was appropriate for the school. Please be aware this letter is subject to the same checks as a Section 5 and will be up to 28 days in the making and should be available to parents by the first Monday after half term at the latest.

Your child has been informed about the monitoring visit and told not to worry and to be as honest and truthful as possible, if asked any questions by the Inspector.

Yours sincerely

JO GANT
Headteacher
