

4th July 2017

Dear Parent/Carer,

Sports Day Information 2017

All parents are very welcome to attend this year's Sports Day which will take place on Friday 14th July. Students will need to come to school in their PE kit (house polo shirt, black shorts, white socks and trainers) and will not need their school uniform or books.

As students will be outside for the whole day, please make sure that they are suitably equipped for the weather with a named water bottle, sun cream and a cap if it is sunny and a plain black jumper or rugby top if it is cold, all items clearly named. Lunch will operate as normal but you may also wish to give your child an extra snack for during the morning.

Parents can access the school via the main school entrance from 9:00am and follow directions to the school field. A Sports Day programme of all events, rotation of your child's group and a map will be made available on the day. During the course of the day students will rotate around eight activities in their house groups. At each activity there is seating which parents are requested to use. Please be aware of other activities taking place when moving around the field and please only watch from the allocated seating area. Parents are invited to pack a picnic and have lunch in the designated area of the school grounds until 1:10pm. **Parents are requested to remain in this designated area until the end of lunch.** Parents are also welcome to leave the school site at lunchtime and return for the afternoon events at 1:45pm

At the end of the day there are relay races which will take place on the main track which parents are invited to watch from the playground. After the relay there will be a presentation and pupils will then be dismissed at 3:20pm.

We are crossing our fingers for good weather but in the case of heavy rain Sports Day will be rescheduled. We look forward to seeing you on Friday 14th July.

Yours Sincerely

The PE Department
