**The last day of term**

Thank you to all Parents who kindly supported us on our walk to St Mary's Church and back for our Christmas Service. The end of term celebrations were well received by all involved and the students were a delight.

Congratulations to Emily Walker, and Cheyenne Field for their amazing arts and craft contributions to our Christmas Nativity Scene and to Amy Jenkins and Amy Leggatt for their Christmas stories with a twist. All winners received book tokens for their efforts.

**LA Review:**

As part of the ongoing commitment to rigorous monitoring of our progress by the Governing Body, we have secured an LA Review (mini inspection by the local authority) on 31<sup>st</sup> January 2017. This has been commissioned to monitor that we are making appropriate progress. A summary of the review will be published on our website. The next Action Plan meeting for Parents interested in monitoring the progress of the school will take place after the LA review on Tuesday 21<sup>st</sup> February 2017

**An opportunity to look at your child's books.**

Parents will have an opportunity to view their child's work during their Parents' meetings this month and will have access to all their books. Please take the opportunity to look at the work and progress they have been making.

**Year 5 and 6 Parents' Meetings:**

Thank you for using the new booking system in order to secure your appointment. During these meetings the key focus will be on your child's progress in English, reading, writing, grammar and maths.

**Catch-up for Year 7 students:**

A significant catch up programme is about to begin for Year 7 students. Letters have gone out this week to invite the first cohort of catch up students to after

school maths and Saturday morning English sessions. We encourage you to accept your child's place and support us to make sure they attend. Any parent unsure or unable to secure their child's attendance will forfeit their child's place on the programme.

**Maths Set Changes**
