

COVID-19 Catch-up funding How did we spend the additional funding that we received this year?

Funding	£	Expenditure
October 2020	9,100	English & maths intervention teaching in 2020/21 Additional teaching time allocated to support our lead maths teachers to intervene with students and to train other teachers in how to do this.
March 2021 Expected Summer 2021	13,020 13,020	Included in 2021/22 Annual Budget to fund the cost of a maths and English teacher for 1 year, specifically employed to carry out interventions. Timetabled so that there are 3 teachers with two classes for 20 out of 25 periods. All misconceptions addressed in the lesson. Having spoken and visited a number of Outstanding primary schools this was quoted as the resource most likely to have impact. Close the misconception on the day.
