Dear Parent / Carer

Re: Year 7 Students

Following my telephone call with Public Health this morning, I write to inform you that unfortunately due to the high number of staff absent with Covid, we are unable to staff in school lessons for Year 7 students on Tuesday 22/3/22 and Wednesday 23/3/22.

Therefore, **Year 7 will be required to complete online learning from home on the dates above.** All work will be available for students to access online via "Show My Homework".

We will update you **by 3:30pm on Wednesday 23/3/22** as to whether we have managed to find an alternative solution for the remainder of the week.

Why these classes?

Currently, the majority of teachers absent with Covid are Year 7 staff.

Will students have access to live lessons?

We are prioritising the use of video and or live lessons wherever possible, however, please be aware that these will not be available if a member of staff is unwell or being used to cover other lessons in school.

Please be assured that we are doing our best to support your child's learning and we thank you for your patience.

Yours sincerely
