Dear Parent/Carer

Re: Year 5 Meet and Greet

Having reviewed the latest Covid guidance from County, we are sorry to inform you that we are unable to proceed with the Year 5 Meet and Greet event on Tuesday 9th November 2021.

The purpose of the event is to give parents an opportunity to familiarise themselves with our school, our staff and to find out how the tutor group have settled in. You will also have the chance to address any pastoral concerns you may have.

Therefore, we will now offer parents a Live Teams meeting on **Tuesday 23/11/21 from 4pm – 6pm:**

- Tutors will let you know how their class has settled in and answer any pre-prepared questions you might have. We will also take the opportunity to give you guidance on how you can support your child's learning at home this year.
- An opportunity to alert us in advance if you would like a conversation with **a subject teacher because you have a concern or worry for your child.** However, as this is not a formal Parents' Consultation Evening, we would not anticipate a request to speak to all teachers. A formal Parents' Consultation evening will take place post-Christmas for Core subjects.

Why have we delayed the event?

The event has been delayed due to Covid and moved online in order to give you time to send in questions to either the teacher and or tutor. Please click on the link below to ask your questions:

There will be a separate meeting for each tutor group and the link to the tutor meetings will be in Friday's newsletters. The timing of the tutor talk will be 4.30pm and the phone calls will take place from 4pm – 6pm, so please be available during this time. Thank you for your support.

Yours sincerely
