As a community we support one another to **flourish**, and live life in all its **fullness**.”*

The purpose of this report is to capture what is going well in school and celebrate it! This should be reviewed with your tutor every day and shown to parents/carers daily too.

At the end of the week, your tutor/HOY will decide whether to continue with this for another week or not.

Remember: this is to highlight the positives that are happening in lessons.
