

Coaching at BMX track

Buntingford has been fortunate enough to be designated a Hub for Herts, this opportunity allows students to have access to specialist training at both beginner and intermediate level for BMX and cycling. This will mean in the Autumn term children aged 7 to 14 will be able to apply to take part in the years training with specialist coaches.

As a launch event, students will be able to attend a day's taster session on the 19th August and the links for more detail and applications are listed below. There are limited places for the taster day. It will be first come first served to attend this event, so please be swift if you think your child is someone who would benefit from this day.

FREE Come & Try SESSION

HERTFORDSHIRE CITY HUB

ARE YOU AGED 7-14? DO YOU WANT TO RIDE FASTER, OR LEARN ROAD, TRACK OR BMX RIDING SKILLS? DREAM OF BEING A FUTURE OLYMPIC CHAMPION?
