

9th February 2023

Dear Parents / Carers

Following on from my email to you in January, I am writing to let you know the outcome of the process to recruit a new Headteacher for Freman College.

After two days of deliberation and despite a strong field of candidates, the Governors were not convinced that any were appropriate for the post.

However I am very pleased to say that Lisa Jones, our current Deputy Head has agreed to become Acting Head for one year from September.

I am delighted that Ms Jones has agreed to do this and look forward to working with her.

With kind regards

Jackie Martin
Chair of Governors
