

Hormead CofE VA First & Nursery School

Job Vacancies

We are a small rural school situated near Buntingford with a growing Nursery. We take pupils from the age of 2 years old.

We are looking for two Early Years Practitioners to join our dedicated team. One as an Early Years Practitioner and the other to work 1:1 with a child with special needs

If you love working with children and are energetic, enthusiastic, have a sense of humour and want to be involved in the life of our thriving school, then we would love to hear from you. Every day is different in our Early Years, so being a team player and having a flexible 'can do' attitude is most important. Previous experience of working in a school is useful, but not essential.

We welcome applications from candidates of all levels. However, applicants with a suitable Level 3 childcare qualification would be particularly welcome. Training will be given to the right candidates.

The Nursery is fully involved in our school. Our Reception teacher is the EYFS lead who oversees the planning for the setting and offers guidance for the team. The children take part in whole school activities such as: Celebration assemblies, walks around our village and whole school trips. The Nursery children also have their own dedicated Forest School time.

Post hours are 8.30am – 3.30pm Monday to Friday, term time only, however there is some flexibility for the 1:1 position available.

Please refer to the job description on our website further details.

To apply please complete the support staff application form which can be found at:
