

Message from Freman College's Chair of Governors

Dear Parents / Carers

I am writing to let you know that our Headteacher Helen Loughran has decided to move on from her post at Freman College at the end of this academic year to take up new challenges outside of education. In her 20 years as Head she has, as you all know, built Freman into an exceptional place for its students and her shoes will be very hard to fill.

The college governors are now in the process of recruiting a new Headteacher and we hope to have completed the recruitment process by half term.

As most of you will be expecting your children to move to Freman in the coming years, I wanted to reassure you that we are committed to ensure that the person we appoint will maintain and further develop the existing values and success of the college so that your children will enjoy the same experience as the students do today.

With kind regards

Jackie Martin
Chair of Governors
