

Edwinstree Music School Information Document

Start: After Easter

Aims

The aims of Edwinstree Music School are to offer free group instrumental lessons on select orchestral instruments; these free lessons are not limited and will also include free instrument hire. We do ask that when we are able to start up the concert band again – next academic year – that they join us, helping us to promote the wonderful music playing that goes on at Edwinstree.

Instruments

Violin (8 spaces) - Mr Rowlands

Flute (3 spaces) - Students/Mr Wainwright-Meekins

Trumpet (4 spaces) - Freman Sixth former/Mr Wainwright-Meekins

Trombone (2 spaces) - Freman Sixth former

We can only currently offer these instruments due to the amount of instruments we have available to us. If anyone has an orchestral instrument they would like to donate, we would humbly welcome this and encourage you to contact the Edwinstree admin team regarding this donation.

Structure

Rehearsals will run on a Wednesday after school until 16:00.

Students will be able to choose which instrument they would like to learn and, should an instrument be oversubscribed, they will be drawn randomly. Students are allowed to spend two weeks deciding whether they would like to commit to their chosen instrument. If they would, we will continue to give them all lessons and the loaning of the instrument for free.
