A huge thank you to the ESA and volunteer parents who have helped us this week to run our enrichment activities, we could not do this without you.

# How to support your child and their learning over the holidays?

Whilst stopping and having fun together are key for the holidays, if you want to keep your child's brain ticking over then traditional board games, cards, darts, pool and snooker are great for basic maths, strategy and problem solving. If you are playing these games it is great to share your strategy you're your child - how are you planning to win? What are you thinking about?

We would also encourage that reading takes place for 20 minutes on a daily basis, for a minimum of a week during the holidays. You can read anything together, instructions for recipes, world cup reviews, Christmas stories.

### When does school reopen?

We look forward to welcoming your child back on Thursday 5th of January at the normal time of 08.40am in their full school uniform. Please use the hoodies as an extra layer if you need to. Lessons will begin after an extended registration at 9.10am

#### **Enrichment Clubs**

All clubs will resume the week beginning Monday 16th January.

#### **PSHE Update**

We recently sent out the PSHE scheme of work. At the start of the Spring term, we will pause the scheme for a short time in order to complete a number of lessons about wellbeing, and the Zones of Regulation that provide a language for us to describe our feelings. We will decide during this time which lessons from the main scheme we will miss out.

## Year 8 News:

We have now secured the 8th of February 2023 for the Year 8 Geography trip to London, more details to follow.

### **Schoolgrid (HCL) Lunch Orders:**

Please ensure you cancel any pre-ordered lunches if you child is out of school, as you will be charged if not cancelled before 10am on the day.

#### **Nasal Flu Vaccinations**

This has now been confirmed for Tuesday 10<sup>th</sup> January 2023.

#### **News from Hertfordshire:**

## **Families feeling Safe**

We have four Protective Behaviours courses for parents, stepparents and carers starting in January 2023. The courses are funded by HCC Targeted Parenting Fund for eligible families who need additional support by attending. This is a fantastic course for those families that are worried about risky behaviour particularly around internet use.
