

Pirates of the Curry Bean COSTUMES

Please start gathering up items for your costumes - please don't buy anything specially (unless you want to - your costume could always be used again for World Book Day etc). Costumes need to be named and in a named bag - they need to be available by 27th June.

Pirate crew of the Curry Bean: "traditional" pirate-wear; red and black with striped tops, knee length trousers, bandanas & striped socks/tights.

Squawk: pirate-wear as above or happy for you to wear a parrot costume - bright colours - all red or blue - look at macaws for inspiration.

The sailors of the Crunchy Frog: naval blue and white, with black trousers, blue & white striped tops and sailor hats.

Cod & Hornhonker: more elaborate blue & white uniforms

Redbeard: "Hook" style costume.

The Periwinkle family: slight pirate flavour, possibly with black and white striped skirts, trousers and bandanas. (avoid red and navy). Pearl could wear some turquoise items.

Fiddlesticks: Cat costume if you have one or all black.

Wally and Pratt: Business wear - trousers not skirts.

Scuttle and Slack: Scruffy pirate flavour - rips and patches. These costumes can have slightly more colour (avoid red and navy)

Rats/Monkeys: Black or brown long sleeved top and trousers.

The natives: from Hawaiian style grass skirts to caveman style animal print.

Sellers: Pirate flavour - no red or navy.

Stanley Periwinkle: a blend of pirate (Periwinkle style) and "Native-wear".

It is essential to keep as much of it as colourful as possible - and remember, you can't have too many stripes!
