

We're coming to improve your area and need your help.

When and where we'll be working

What: Carriageway Resurfacing

Where: Baldock Road, Buntingford

From the High Street to the junction of the A10

There will be access from the A10 to the Esso Garage

Dates and times: Friday 30 October 2026 and
Saturday 31 October 2026
9:30am and 4:00pm

How: Road Closure

How does this affect you?

Parking and access: To allow us to come and do these improvement works we'll need to restrict parking temporarily. If you need to use your vehicle, please move it outside the works area shown on this letter, at least 30 minutes before we are due to start working.

Vehicles will not be allowed access during the works, except for emergency vehicles. Please speak to the on-site team on the day who will be able to advise on access or contact the contractor Eurovia on [07703 796403](tel:07703796403).

Weather: Works are weather dependent and may be postponed. We apologise if works don't start on time in these instances.

Affected bus services: Details of any disruptions to bus services can be found at www.intalink.org.uk/timetables (search for your service). If you're unable to find this information, please call our customer service centre on 0300 123 4047.

Where can you find information?

Please refer to the yellow signboards on your street to see the exact dates, timings and permit number, including any date changes. You can also visit **One.Network** online.

Do you need a hand?

If you have any special access requirements, please contact Eurovia on 07703 796403 hcc.comms@eurovia.co.uk or the Customer Service Centre on 0300 123 4047 or email us at cschighways@Hertfordshire.gov.uk

This year we are investing a record £107 million on improving Hertfordshire's roads, pavements and transport as well as allocating £30 million for daily repairs and maintenance. Thank you for your help and understanding whilst we do this work

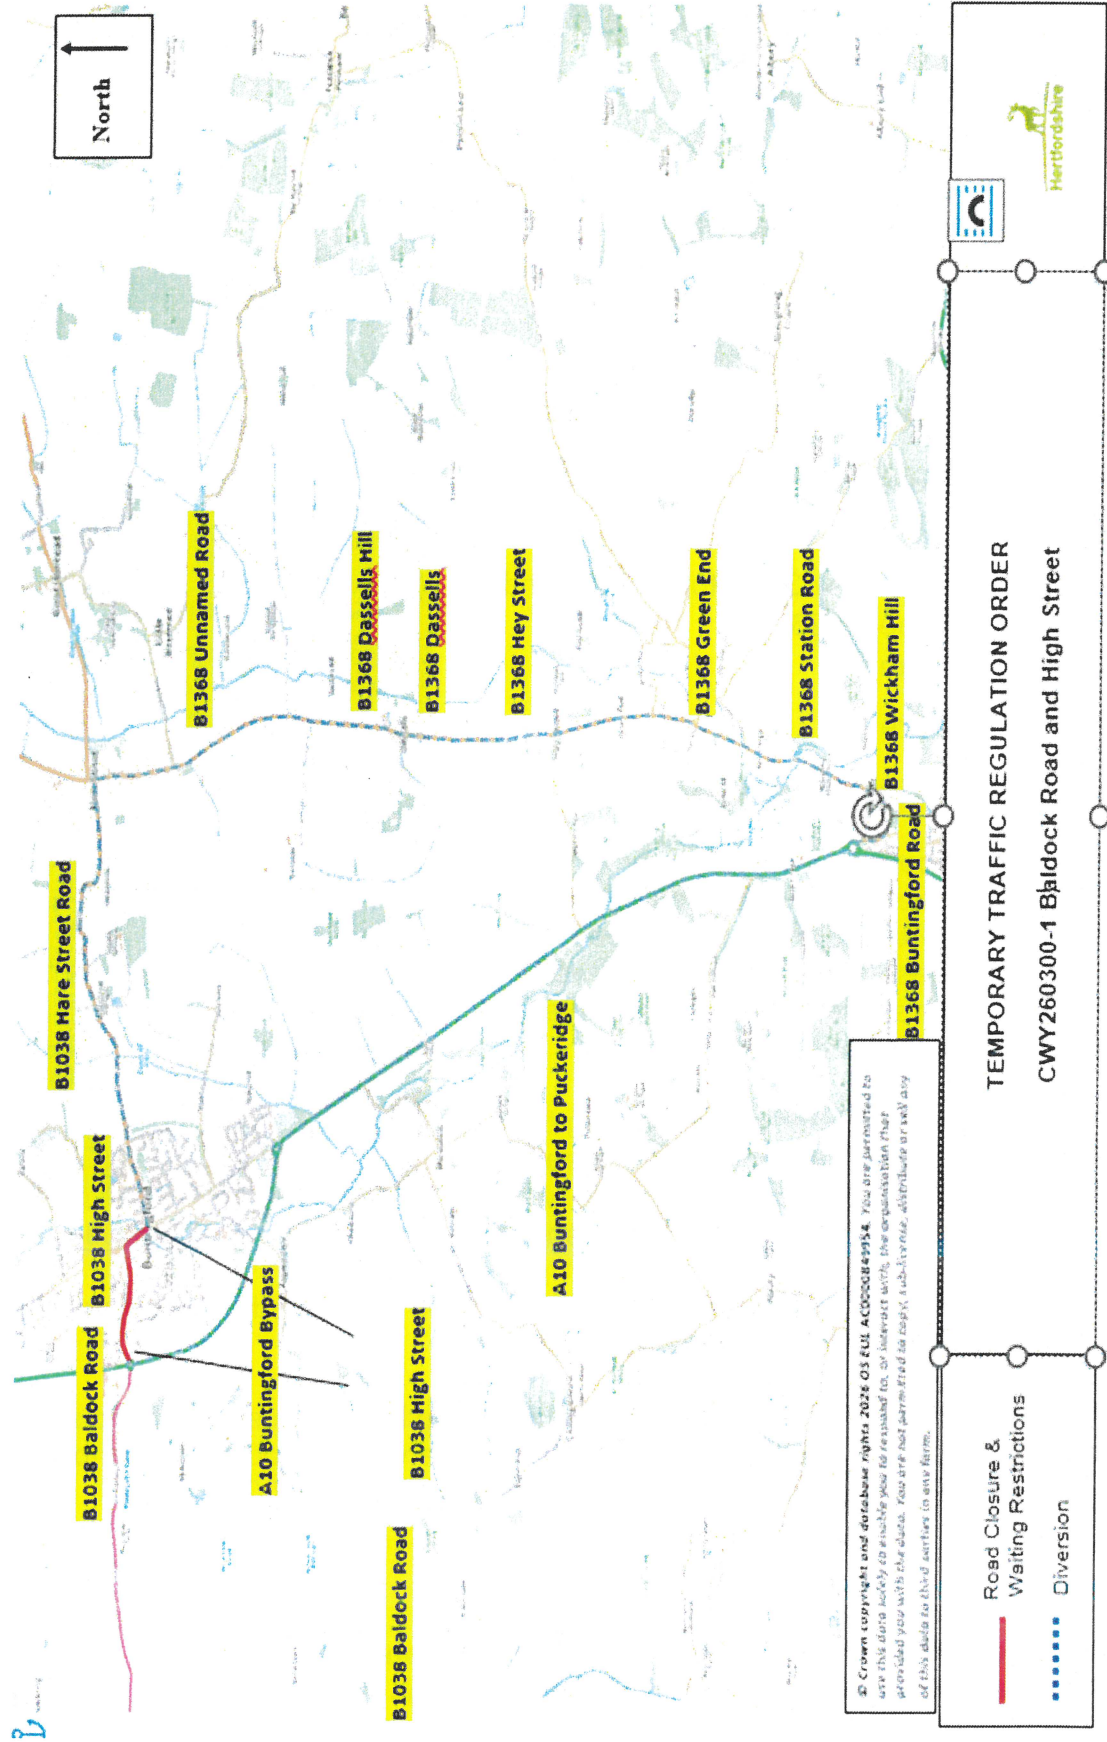

Hertfordshire

Map of the area we are working in

Works Permit Numbers: FM30261404941-01 -01 / Lights FM30255828115-01

You can use this permit number on One.Network.

These works will be completed as per the phasing plan below.

SUMMARY OF WORKS		
Work dates/times/Phasing	Works Description	Traffic Management
