Dear Parent / Carer

Your son/daughter was given the opportunity to complete The Lancaster Model Online Health Questionnaire recently.

We would welcome yours and your child's support to help develop an online health questionnaire that is accessible and user friendly for year 6 school children. This is intended to replace The Lancaster Model Online Health Questionnaire that is currently offered.

A short survey has been developed to ask year 6 children for their thoughts about this. They will be asked to complete it in school. In the meantime, please see the link below to the survey for your review:

https://forms.office.com/Pages/ResponsePage.aspx?id=sITDN7CF9Ueylge0jXdO4-Nt94_MHkINjHMMtq_V90ZUNlhDMkczVTJBT0pIS1oxSjlUSU9ITIZNOC4u.

We would like to share this survey with your child but if you **do not** wish for them to take part, please could we ask that you inform school of your decision so that the class teacher(s) is / are aware so that they can ensure they are withdrawn. Please can you contact the school by the **14th March as we are asking schools to allow Year 6 children to complete the survey the week of the 17th March 2025.**

If you would like to share your own thoughts on the health questionnaire your child has previously completed you are welcome to leave your comments via the following link hct.patientexperienceteam@nhs.net

If there is any further information you require, please don't hesitate to contact us via 0300 123 7572

Yours sincerely

Jo Kerr
